

Food

Constellation does not provide catering services. We do offer small concession items of popcorn, candy bars, and assorted chips. We recommend speaking to an outside catering company and then connecting them with us to facilitate a smooth load in.

Our preferred Caterer is One World Catering and Events.

Beverages

Under the terms of our liquor license, Constellation is the only entity that can provide/serve alcohol on the premises. No outside alcohol (whether donated or purchased) can be brought in for any purpose/event.

Service options:

Cash bar: Guests pay directly for beverages on a per drink basis.

Open bar: Constellation will maintain a tab to be invoiced at the conclusion of the event. The renter can arrange in advance to cap the tab at a predetermined amount, after which beverages will be sold on a cash bar basis. *Drink tickets, provided by the renter, may be used to allocate drink service.*

Pricing: Renters with 20 or more guests qualify for the below Group Rate Discount pricing.
