Polkadots: The Cool Kids Musical

Book by Melvin Tunstall III | Music by Greg Borowsky & Douglas Lyons | Lyrics by Douglas Lyons

April 25 - May 11, 2025 | Waldron Auditorium

8-year-old Lily Polkadot just moved to the small, "Squares Only" town of Rockaway. As the first Polkadot in an all Square school, Lily faces an almost impossible task of gaining acceptance from her peers. Lily's quest seems hopeless until she meets Sky, a shy Square boy whose curiosity for her polkadot skin blooms into an unexpected friendship. Inspired by the events of The Little Rock 9, *Polkadots* serves as a colorful history lesson that reminds us that our individual differences are what make us cool.
